630 mile run to celebrate 70th birthday raising funds for Great Ormond Street Hospital for Children.

Heatherside resident Jack Guthrie set himself an extraordinary challenge last year. This is his story: The South West Coast Path is a national trail from Minehead in Somerset to Poole in Dorset via Land's End. I imposed a time challenge of 30 days, running the equivalent of 24 marathons and climbing 3 times the height of Everest. It was a solo event undertaken with my back-up and support team (wife Pat!).

The highs and lows of the enterprise were many and varied but there were two hazards which knocked us for six; weather and injuries. Hartland Point, (North Devon), atop vertiginous cliffs, winds swept me off my feet and into the landward

bushes. Thunderstorms boomed over Port Isaac (West Cornwall) and there was sea mist and fog over Peak Hill at Sidmouth (East Devon) where I could see neither the path nor the cliff edge. How scary was that? As for the injuries, they could so easily have jeopardised the whole project. Prancing around hills and cliff tops for 630 miles is bound to induce injuries

PARTY IN THE PARK

In celebration of the Queen's Diamond Jubilee

Tuesday 5th June 2012 2 – 9pm
Heatherside Recreation Ground

We have something to delight all ages

There will be a selection of live bands playing throughout the day

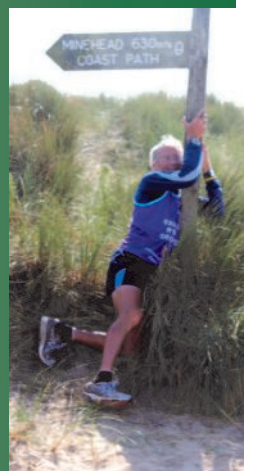

Entry is FREE

See inside for more details

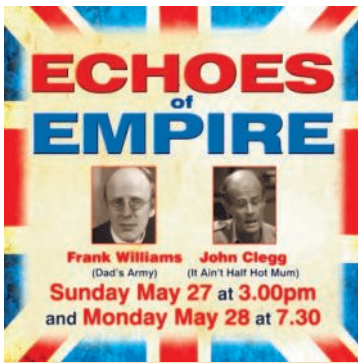

★ Colourful characters were aplenty. I met so many along the ★
★ who were only too happy to empathise support for GOSH ★
★ with the most generous of donations. But the greatest joy ★
★ for me was the final "sprint" on time and exactly according ★
★ to our schedule of 30 days, along sunlit Studland Beach on ★
★ Saturday 1st October, 2011 to be met by our ★
★ granddaughters, Maddie, 9 and Lucy, 8 .

★ They and 20 or so close friends and ★
★ relatives had contributed so much in ★
★ both material ways and in affection. The ★
★ biggest lesson of the run? Easy answer: ★
★ the South West Coast Path is a walker's ★
★ paradise....and a runner's nightmare!

★ At the last count we had raised over ★
★ £7,000 for GOSH and if anyone still ★
★ cares to donate please go to ★
★ www.justgiving.com/jacksdash . To read ★
★ more daily detail refer to our blog; <http://jacksdash.blogspot.com/>

Hot Steppers School of Dance

will soon be arriving at Heatherside Community Centre with fun, friendly and energetic classes. We will be offering children between the ages of 4 and 12 to learn Disco Dancing; Cheerleading and Zumbatomic.

Classes will be held every Saturday morning and will be taught by Catherine Fanning who already runs classes in and around Camberley.

Each hour long class will contain a combination of Disco Dancing, Cheerleading and Zumbatomic. Zumbatomic is the children's version of the highly popular Latin-inspired dance-fitness craze, Zumba. Packed with specially choreographed routines and the latest music, like hip-hop, reggaeton and cumbia, Zumbatomic classes

increase focus and self-confidence, boost metabolism and improve coordination.

Lessons start on **Saturday 21st April.**

For times, availability, prices and further information please call Catherine on 07732 887314.

Spaces are limited so do not delay! We look forward to meeting you.

From the Vicar's Desk

All Change?

We live in a very fast changing world – it's so obvious that it's almost not worth saying; all of us find change a challenge – and, dare I say it, even harder as we get older.

It has taken me a while but even I turn to the computer rather than to a telephone directory when I need to know the number of a local company. Beyond that I've also learnt that I can find my nearest branch of any shop and its opening hours by clicking on the store locator button on their websites.

Society around us is continually changing and we all need to adapt as best we can. There are undoubtedly changes ahead for us on Heatherside and the surrounding areas, we cannot tell exactly when things are going to happen but as sure as a red sky at night heralds good weather on the following day, the meetings about the future of Deepcut base are bound to bring us change.

As I write, leaflets are being posted through doors all over Deepcut, Heatherside, Cheylesmore and beyond, and our MP Michael Gove and various Ministry of Defence officials are being summoned to a public meeting. Will the new retail units being planned for Deepcut blight our shops on Heatherside? Will the new homes and their residents cause gridlock on our local roads? Will there be a new traveller site on the boundary of Heatherside and Deepcut? What will these and many other unforeseen changes bring to our quality of life?

We do not know the answer to any of these questions – even if we think we have a pretty good idea! Facing change is easier when we face it together, and I trust that we will get to know each other as neighbours and members of our community better as we face change together.

As your Vicar I'm sure that you will also want me to point you to God and the friendship and comfort you can find in Him amidst the changes that faces us in the years ahead. He has promised to be with us in the challenging times as well as the every day.

May God bless you in this Easter time

Larry

Larry Bain, Minister, Heatherside Church

Frimley Childhood Cancer Support Group

Thanks to everyone's generosity at the Christmas services, we raised £268.22 for this local support group for families who have children diagnosed with cancer. FCCS meet up once a month to basically offer support. All of the families who come along have a child either still undergoing treatment for cancer or leukaemia or have now finished treatment. Because our children's immune systems are compromised we meet in a hall so that our children don't have to mix with other people who may have germs and bugs that we don't know about, which can mean they get an infection resulting in time in hospital. Some infections can be very serious to their health so we have to be cautious. So that we can plan fun things for the children in the coming year, we have various events coming up to raise money so we can treat them all. On May 5th we will be holding a stall at The Surrey Heath Show at Frimley Lodge Park so we hope to have lots of visitors to our stall then to help us raise more money for the group. www.frimleychildhoodcancersupport.co.uk

Girlguiding on Heatherside – Thinking Day Celebrations

Guides and Scouts all over the world celebrate 22nd February each year because it is the joint birthday of our founders, Lord Robert and Lady Olave Baden Powell. This year we all celebrated in different ways:

8th Rainbows collected 1p and 2p coins, with these they made an amazing chain which went up and down the hall three times. This raised money for the Thinking Day Fund, which is used to help develop Guiding in other parts of the UK and overseas. Earlier they also raised funds for Macmillan Nurses by having a tea party.

10th Guides took part in limbo dancing, an Australian version of "pass the parcel", played a History of Guiding game, Save the Planet Pictionary and learnt an Israeli song and dance. They finished with a candlelit ceremony during which they made a long paper chain of "world issues" and "ways to save the world". They raised £30 for the Thinking Day Fund.

8th Brownies also played a History of Guiding game, learnt both verses of our National Anthem, and also held a candlelit ceremony.

Our District leaders celebrated by visiting Pax Lodge in north London – one of the 4 World Centres. We had a great time together with 45 other leaders from Camberley Division.

During the course of the weekend we said a huge "thank you" to Hazel Chant, as she stood down after five years as Division Commissioner. We also took part in various training sessions and found time, on our afternoon off, to visit the Tower Bridge experience.

On the Saturday night it snowed, and everyone had great fun building a snowman and playing snowballs, even Hampstead Heath was turned into a winter wonderland.

As you can see - it is not only the girls who have a great time in Guiding. Would YOU like to join us to allow more girls to take part?

If you would like any more information about Girlguiding in Heatherside - Rainbows, Brownies, Guides, Young Leaders or Adult Helpers - then please contact our District Commissioner, June Cobbett, on 01276 500476 or email junecobbett@hotmail.com.

4th Frimley (Heatherside) Scout Group

Beavers aged 6 – 8
Cub Scouts aged 8 - 10½
Scouts aged 10½ - 14

We have just completed our annual census and our total numbers are up again year on year which is very encouraging but we still have waiting lists for all our sections which means there are youngsters on Heatherside who are being denied the opportunity to experience Scouting which is not something the Group is content with.

We are only able to provide Scouting on Heatherside with adult volunteers who run the meetings, provide background support and administration.

We have a long waiting list of children wanting to join Beavers and we would like to be able to open another Colony but we cannot do this without more adult volunteers.

Meanwhile the Beavers, Cubs and Scouts have been busy over the last few months with their many and varied activities. Some of our intrepid Scouts went on a Patrol Leader training camp a couple of weeks ago and woke with ice on the sides of the tent!

If you would like to get involved then please contact me at the e-mail address below.

Graham Corser, Group Scout Leader: grahamcorser@surreyheathscouts.org.uk

Please visit our Group website for all the up to date news, events, photos and information about Scouting on Heatherside. www.4thfrimley.org

Heather Ridge Infant School

Anyone who has young children or is involved in any way with schools, will know that not only are they very busy and active places, they also filled with a huge amount of joy and wonder! What better way to learn! Recently at Heather Ridge, we have been looking at how we can be even better mathematicians and the children have been busy solving and finding answers to 'tricky' problems. We all want to be MATHEMAGICIANS!

After half term, we held our annual Grandparents morning where the school was filled with these very special grown ups - sharing learning with the children, playing games on the playground and listening to each class perform songs and poems. Messages were shared through the 'open mike' (some very special comments and lots of teary eyes) PLUS we had amazing talent demonstrated by some of the audience, ranging from poetry recital to playing the piano! What a wonderful morning everyone had. Life at Heather Ridge is always busy but we hope, exciting as well!
 Hilary McKay, Head Teacher

**Cherubim
Celebration Cakes**

Let me bake and decorate a cake for your celebration.

I can cater for most special diets. And, if you like your own recipe best, I can ice your home-made rich fruit cake too.

*Baked with the best ingredients,
 and a lot of love*

Kids Alive 325 Mum Amanda tells us about a typical afternoon -

Every Thursday, in term times my son and I attend the Kids Alive 325 service. We usually get there for 3.30pm. Upon arrival we are greeted by Rev Larry and his friendly team. Both the adults and children are offered refreshments. My son loves the fact you get a biscuit when you get there! That's not all... The children have crafts and activities to keep them amused. It's a lovely way of getting them to interact with each other and make new friendships. The adults also have time to have a catch-up. The service takes format of a show. Each term there is a different theme. Presently the theme is "Pirates." The set is impressive and you feel you are aboard a pirate ship. The children really enjoy getting into the spirit of it and some children dress up to add to the atmosphere.

It is Pirate John Marrow who heads the service. He is very entertaining and manages to teach the holy scriptures in a fun and interesting way. There is a puppet show that the children love and lots of singing and dancing too. Ultimately there is a lot of laughter and we would thoroughly recommend to others.

Sounds like fun? Then come along on a Thursday from 3.30pm at Heather Ridge School. The service starts at 4pm and children (with parents and carers) from all local schools are welcome. For more information contact Heatherside Church Office on 01276 678015

Joint Statement from Local Councillors Ian Cullen, Paul Innicki and Lexie Kemp regarding the Deepcut Development

We wish to clarify our position in relation to the above.

1. The detailed application has not been received by the local planning authority.
2. Up until then and beyond to the point where it is considered, debated and voted on, including any provision therein for the gypsy/traveller "pitches", we each have to maintain a high degree of impartiality – this will be our position whenever and however residents and other parties approach us with their views. Their views are welcome, but we cannot controversially align ourselves, individually or collectively with a particular viewpoint which may lead to a pre-dominance on our part. Where possible we will listen to all various opinions on the matter, but our impartiality is absolutely necessary, otherwise we may not be able to consider, debate and vote on when considered by full council.

There will be full consultation during this time, including that on "pitches", but please be advised that central government expects through changes in the planning laws, that local planning authorities, including Surrey Heath are compelled to make provision for the pitches to be included in their planning policy.

We do hope this helps to clarify the position we are in.

Ian Cullen, Local Councillor

The snow did come, though not so heavy or long lying as had been predicted. Nonetheless the emergency teams were at full readiness and thanks to their preparations, long hours of hard work and dedication, plus full gritting bins, there was minimal disruption to trade or travel.

As Vice Chairman of the Leisure and Environment Committee I am privileged to receive invitations to many events in the Borough. I very much enjoyed a recent visit to the Mytchett Centre where I saw Aladdin performed by the resident Playmakers group. I also enjoyed the prize giving ceremony for winners of a pre-Christmas poetry competition that was organised by the Mayor of Surrey Heath, Councillor Tim Dodds, and former councillor Murray Rowlands. At the Watchetts Junior School the winners collected their prizes and read out the winning entries before a large and appreciative assembly. Grandparents Day at Heather Ridge Infant School on February 20th was another memorable occasion. The children performed a short concert, shared their class work and made sure that all grandparents were thoroughly entertained for the whole morning. There is so much creativity on Heatherside and throughout the Borough that, especially in these austere times, we are fortunate to live in what is widely acknowledged to be one of the most desirable residential areas in the U.K.

If you have any concerns please don't hesitate to call me on 01276 23213 and I will do what I can to help. email ian.cullen@surreyheath.gov.uk.

Paul Innicki, Local Councillor

In view of our statement, I would like to add the following briefly... So far our roads have been kept clear of snow, albeit there has been less snow than last year (touch wood!).

The provision of new street lighting via the County, has gone well and nearing completion on Heatherside. 'Individual siting issues' may be looked at and remedied where required.

On Tuesday 5th of June the Heatherside Community Association are holding a 'Party in the Park' from 2pm to 9pm to celebrate the Queen's Diamond Jubilee. You are all welcome and in the meantime, any help you can give would be greatly appreciated.

Regarding overgrowing trees and hedging, Bovis homes have been carrying out cutting back, where the land is in their ownership. My thanks to them and this programme of cutting/tidying up will continue where appropriate.

Our PCSO Vince Wakeling may also undertake similar smaller scale work, but this done, as before, with volunteers – please contact Vince for further details.

As always, you can contact me by phone (preferable for now – 012376 66635) or by email

Savoy Singers

SINGING IS GOOD FOR YOU! Even many in the medical profession now accept this idea, as it seems to be a way of expressing happiness. It creates a well-being factor in peoples' lives, and particularly where it is done collectively such as in a group. Who would not have been moved by the recent successful TV series with Gareth Malone and the Military Wives' Choir? For more than forty years the Savoy Singers have been entertaining the people of the local area with the shows they regularly put on at the Camberley Theatre, ranging from the operas of Gilbert & Sullivan, to other popular musicals such as *Hello, Dolly!*, *Anything Goes*, *Call Me Madam* and *Chess*.

Our performance of Gilbert & Sullivan's *The Sorcerer* has just finished, and the photo shows Alastair Douglas as the Sorcerer with two of the chorus.

Rehearsals will be starting soon for our next show, STATE FAIR, by the renowned American duo Rodgers & Hammerstein. This was their only musical

directly written for the screen and only later became a stage musical. The film came out in 1945 and starred Jeanne Crain, Dana Andrews and Dick Haymes. It has many well known songs including "It's a grand night for singing" and "Spring Fever". We would like to welcome others to share in the enjoyment and satisfaction we get in singing in these shows. If you have had some previous singing experience in school or college choirs, even if many years ago, and quite fancy the chance of performing on stage, please get in touch.

We rehearse on Wednesday evenings from 8-10pm at Heatherside Community Centre. More details can be found on our website www.savoyingers.org.uk

Further information can be obtained by contacting Pam Stevens on 07710 772792 or e-mail secretary@savoysingers.co.uk

David Ivison, County Councillor

Quite a belated Happy New Year for 2012 - but this is the first Newslink of the year. So far (end Feb) we seem to have avoided the harsh winters of the past 3 years - despite being better prepared than ever for bad weather. Anyone want 1000 tonnes of salt/grit in our Bagshot Depot!? Luckily it does not deteriorate and we will not have to purchase large quantities for next winter.

Generally it has been a relatively quiet time on Heatherside but that will change. We can now look forward to a grand, spectacular Queen's Diamond Jubilee street party on the Recreation Ground on 5 June. Your Heatherside Community Committee are already well ahead in their planning - and they will most certainly be supported by me. Already there are posters out and there will be much more publicity. Literally a celebration of a life time! **Put 5 June in your diary!**

On a more mundane matter, the majority of the old street lights on Heatherside will have been replaced with the new, more efficient and eco-friendly lights. I have had quite a few e mails praising these new lights - but inevitably there will have been some old lights missed (particularly in the various walkways) If you spot any or have any complaints, please contact me :- Councillor David Ivison, County Councillor Heatherside and Parkside Tel 01276 27778, email david.ivison@virgin.net
